Monthly Condominium Fees

Another issue which creates misunderstanding with new purchasers is the issue of who is responsible for the monthly condominium fees with respect to the date of closing.

- A. All condominium fees are due on the 1st day of each month.
- B. The registered owner of the unit will be responsible for payment on the 1st day of that month.
- C. If the unit closes after the 1st of the month and before the end of the month it will be the responsibility of the seller's solicitor to make the adjustment on closing.
- D. Any post-dated cheques in the possession of the Condominium Corporation belonging to the vendor will be delivered to the vendor upon receipt of the above noted information. Please note if the information on the purchaser is not received by this office, the vendor's next monthly cheque may be cashed in credit of the month's expenses, and this adjustment to be taken into account by the solicitor.

If for any reason the closing of the transaction is delayed, please notify this office immediately.

If we can be of any assistance in facilitating the move for the vendor, the purchaser or their respective solicitors, please feel free to call our office.

Please contact the undersigned if you require further information or assistance at bcmurphy@iccpropertymanagement.com
